**Rural Community Support Society
Registered Charity No: 1109446**

Forging Links in the Community

The Rural Community Support Society is an independent charitable organisation which is based at The Old Forge in the heart of Herstmonceux.

The original *Information Centre* was opened in 1998 as a result of a joint initiative led by Reverend Osborne (Free Church) and Reverend Francis (All Saints and St Mary Magdalene). In 2003 a charitable trust was created — The Rural Community Support Society — which now manages the Centre. In 2011 the Old Forge was purchased and donated to the Society by Peter Sangster.

Today the Society is still serving the community, responding to needs and forging links between service providers and people in and around Herstmonceux. The Old Forge is still an *Information Centre* where information and advice is provided and posters and leaflets can be displayed — but it is also a resource for local clubs, societies and businesses — with a meeting room, photocopier, laminator and other equipment. The Society also continues to forge links between local organisations and provides small grants to local clubs and societies.

The meeting room is free subject to availability and approval for non-profit-making organisations serving the community within the parish of Herstmonceux. The charge for businesses is just £5.00 per hour. A booking form can be obtained from the Centre.

An application form for our small grant programme can be can be obtained from the Centre.
